Loan Association.

ORGANIZED AT ROANOKE. NEW STORE

Authorized Capital \$25,000,000.

GOVERNOR LEE AS PRESIDENT.

The Iron Belt Building and Loan Association, of Roanoke, Va., was duly organized yesterday, with a subscribed capital stock taken on the first day, of \$200,000. It is a National State of the city. By having a home in this addition a person can enjoy all the pleasures of a suburban residence and yet get the benefits of city conveniences.

The addition is being bein scribed capital stock taken on the first day, of \$200,000. It is a National Building Association, whose heading association, whose heading sites are rapidly being sold. It is proposed to do business and to establish branches in all of the larger towns and cities throughout the country. There is no institution that is calculated to do more good for a community than these association. As the prospectus of this association well says:

The addition is being laid off by wide streets and avenues, and building sites are rapidly being sold. It is well drained and therefore very healthy.

how to secure bargains in Reanoke property.

We especially commend to our people. The city and the State should take a pride in contributing to its success. The several national associations e and are doing a large business throughout the country, and nowhere have they a more liberal patronage than here at Roanoke. Our people are not slow to appreciate a good thing when they see it. They have fully appreciated the advantages of the Building and Loan Association, and alumdarity contributed to the Gas bills, if paid before the 10th instant, a discount of 12½ per cent. allowed.

Here billing all Mass Associations, and abundantly contributed to the stock of the many associations of this character that have their local branches established here. Let us all

THE GLADE ADDITION. one of the Prettiest Building Sites in

the City.
One of the most valuable additions

that has been laid out to the city is the Glade property.

This is situated just east of Glade Creek and immediately on the dum-my line. The fact that it has this line running through it makes it exceedingly more valuable, as it brings it in close preximity to the center of the city. The fare over the line is only five cents, and places it within the reach of all who attend church, do the marketing and everything of that sort in this part of the city. By hav-
